

Proposed Keynote Speakers & Chair Persons:

Dr. T. N. Singh

Dr. Singh is working as professor & Head of the department of Earth Sciences, IIT-Bombay, He also extends his services as Independent Director in HPCL (Hindustan Petroleum Corporation Limited) his area of interest are Natural and Engineered slope stabilization, Rock Mechanics, Engineering Geology etc.

Dr. K. Subramanya

Prof. Subramanya is a Retired Professor and Head of Civil Engineering Department, IIT Kanpur. Since retirement, he is active as Consultant in Water Resources at Bangalore.

Prof. Dr. Edy Tonnizam Bin Mohamad

He is the Founder cum Director of Centre of Tropical Geoengineering UTM, Department of Civil Engineering, UTM.

Dr. C. S. P. Ojha

Dr. Ojha is working as professor & Head of the department of Civil Engineering, IIT-Roorkee, and his area of interest are Hydraulics Engineering and Environmental Hydraulics.

Dr. P. K. S. Dikshit

Dr. Dikshit is working as Professor in department of Civil Engineering, IIT-BHU, Varanasi, his areas of interest are GIS, Remote sensing application in Water Resources Engineering Application & Design of Hydraulic Structures.

Dr. S. B. Dwivedi

Dr. Dwivedi is working as professor of the department of Civil Engineering, IIT-BHU, and his area of interest are Hydrochemistry, Engineering Geology and Rock Mechanics etc.

**Ramesh Bhatawdekar**

Ramesh Bhatawdekar is Mining Engineering Graduate [B Tech (Hons)] from IIT Kharagpur (1980), completed M Phil through research (M Phil) from University Technology Malaysia (UTM) (2016), presently He is International Research Fellow at UTM - University Technology Malaysia.

Dr. Masoud Monjezi

Dr. Masoud Monjezi is a Professor in Mining Engineering. Presently, he is head of the Mine Exploitation Division, Department of Mining Engineering, Tarbiat Modares University, Tehran, Iran. He has 17 years of teaching and research experience. His area of interest is Blasting- Open pit mining- Slope stability.

**Dr. Amit Kumar Verma**

Dr. Amit Kumar Verma is currently Assistant Professor in the department of Mining Engineering at prestigious Indian Institute of Technology (Indian School of Mines) Dhanbad. He was visiting faculty at Clausthal University of Technology, Germany in 2015 and Endeavour Executive Fellow at Monash University, Australia in 2016.
