Department of Electronics and Communication Engineering

Report on SWACCHTA PAKHWADA 2018 Care for surroundings

All India Council for Technical Education (Aicte), New Delhi, has advised the Engineering Colleges to Observe Swacchta pakhwada from 1st August 2018 to 15th August 2018 for spreading the message of Cleanliness not only among the students but also in the surrounding areas.

As part of it Department of Electronics and Communication Engineering students, staff and HOD conducted various activities in the colleges and surrounding of college.

A cleanliness week was observed from 1st August 2018 to 15th August 2018, charged with a variety of activities ranging from students wielding the broom and cleaning the campus , identifying innovative ideas to maintain cleanliness, and teachers motivating students to inculcate maintain their surroundings by prioritizing cleanliness in the workplace.

Faculties, students of various departments cleaned gardens and corridors in the campus. Posters were put up in our campus to spread awareness about cleanliness, hygiene and sanitation.

Door to Door Awareness camp for to knowing the keep the all our surroundings

(Visit to Kondapur village) on 13-08-2018

Mr . Y D Solomon Raju, HOD (ECE) conducted **Swacchta Pakhwada** activities by the ECE students and Staff.

In the organizing the under **Mr K Kanthi Kumar NSS Program Officer** of HITS bogaram

Swachta pakhwada we conducted program of door to door clean Student's and staff of Holy Mary institute of technology and science are participation in Cleaning with surroundings and propagating the information about if we are keeping the clean our society and what we get in future .

As soon as motivating the people and involving the what we are working the for required to get in the role And then keep the clean for all days in their surroundings.

Assembled and discussing with village people for clean our surroundings

Why keep the clean our surroundings what is the reason behind it should know that then give the advises and give the benefits if we have to keep clean.

All students were went by our college bus around including 5 members staff 30 students from ECE Branch

We were talking with adults for spreading the information about if we keep the clean all the open places

Here all the girl's students were talking with house makers and will make them to participate in the door to door awareness program

All the students are walking on the road with hold the flexi to show the our event importance

Our students of NSS behalf of ECE Dept were talking with oldmen to giving instructions to grand children's at home whenever free
